A WEDDING AS
UNIQUE AS YOU ARE...

THE CHOICE IS YOURS...

We offer a wide range of choices to make your wedding unique and bespoke. With five elegant banqueting rooms, a garden pavilion and a stunning chapel, St Augustine's is the perfect wedding venue and the only one in England that can offer a ceremony, chapel and wedding reception all under one roof.

THE OAK ROOM with its gothic arched ceiling, stunning chandeliers and charming oak panelled walls is ideal for a smaller civil ceremony or for an intimate wedding breakfast.

THE RUBY ROOM is a grand room that is sure to impress your guests. This room has a decorative ruby

and gold high ceiling and an abundance of chandeliers. It is also air-conditioned, has its own licensed bar and can accommodate a banquet for up to 220 guests. The Ruby Room is also large enough to accommodate a disco with a large dance floor.

THE CHAPEL is a truly unique setting for your big day for large or small parties with bar facilities and room for a disco or band. The magnificent deconsecrated French-style Chapel was built in the early 1900's and contains 350-year-old carvings from Paris. With ambient LED lighting, the decor can be co-ordinated to your wedding colours, offering a most distinctive experience for a very special occasion. It is also perfect for both religious and civil ceremonies.

THE DRAWING ROOM has oak panelled walls and art deco chandeliers. This room is spacious and its relaxed atmosphere makes it an extremely popular location for small formal dinners for up to 80 guests or lunches from 20 guests upwards. It is also licenced for civil ceremonies.

THE PAVILION is another unique feature of St Augustine's offering the ideal opportunity to hold your wedding outside in a beautiful romantic setting, surrounded by picturesque gardens. A stunning bridal swing, nestled in one corner of this leafy courtyard, represents the perfect photo opportunity for newlyweds. Our pavilion also comes complete with red carpet, built-in speakers for your wedding music, a PA system to amplify your vows and a web-cam facility enabling guests that are unable to be with you on the day to also watch your wedding ceremony live.

THE BOARD ROOM is an ideal function room for a small, intimate wedding breakfast with capacity for a banquet of up to 24 people.
